

---

## CONSTRUCTION

---

PVC-Free Pressure-sensitive adhesive-backed (PSA) wallcovering

---

## INSTALLATION

---

Should only be performed by either 3M, Eco-Lomella or Lomella Certified Installers, who have been properly instructed on specific installation best practices.

---

## WEIGHT & THICKNESS

---

- **Product Weight:** 4 oz. - 10 oz.
- **Thickness:** 5 mil - 17 mil  
.005 in - .017 in

---

## PROPERTIES

---

- Pressure-Sensitive Adhesive (PSA)
- Environmentally Friendly PVC-Free
- Low VOC
- Does not exceed MCVs for Phthalats & Lead
- Removable
- Smooth or Textured finish
- Adheres to a variety of surfaces

---

## SPECIFICATIONS

---

Federal Specification:  
CCCW-408-D Type I\*  
CA 01350

---

## FIRE RATINGS

---

- **ASTM-E84 Tunnel Test:** Passed Class A

---

## SUSTAINABILITY

---

- PVC, Phthalate & Lead Free
- Greenguard Gold Certification\*\* (see notes)
- Recycled Content - Minimum 20% post-consumer\* (see notes)

---

## WARRANTY

---

5 Year Warranty against manufacturing defects.
