Sonera[®] Window Art Clear, Frosted & Dusted CARE INSTRUCTIONS

1. Use a clean, soft, lint-free cloth.
2. Use off the shelf glass cleaner (Windex, Glass Plus, etc.).
3. Spray the cleaner onto the cloth, not onto the image.
4. Wipe down the image with the wet (do not over saturate) cloth.
5. Immediately dry with a clean soft dry cloth.
6. If the edges of the image are not sealed, take care not to introduce cleaner to the adhesive as over time edge lifting will occur.
